HOSPITALS**

THE ULTIMATE SIGN IN AND CONTRACTOR MANAGEMENT SYSTEM

Make the right first impression with InVentry's market leading safeguarding tool

APPROVED CONTRACTORS

Safely and securely store approved contractors' information, checks and expiry dates within InVentry, making it an easy process each time they arrive on-site

CONTRACTOR CHECKS

Obtain contractor inductions and checks, such as permits to work and RAMS before they arrive on-site

KINDNESS POLICIES

Allow agreement screens to show when signing in ensuring visitors adhere to staff kindness policies

MULTIPLE ENTRANCE POINTS

Allow for quick and easy staff sign in from multiple entry points with our Quicksan units

QUESTIONNAIRE MODULE

Ask contractors to complete an online induction and any security questions you require before arriving on-site

Trusted by
more than
8,000
organisations

WARD SECURITY

Ensure the safety of staff and patients by knowing who is entering the ward or estate at any given time

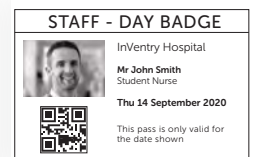

PARKING PERMITS

Automatically provide visitors with a parking permit upon sign in each day

ID BADGES

Make it easy for staff and patients to easily identify who is on-site with staff ID badges and visitor badges

FIRST IMPRESSIONS

Improve your Estates sign in procedure by having contractors sign in with a state of the art system

PERSONALISED SKINS

Customise your InVentry system to coincide with the look and feel of your branding

ADDITIONAL FEATURES

HEALTH DECLARATIONS

-  Send COVID-19 Health Declarations to staff and visitors each morning
-  Those who declare that they're displaying symptoms will be unable to sign in or enter the building

DOOR ACCESS INTEGRATION AND INSTALLATION

The most comprehensive sign in and door access integration. Trigger door releases via an InVentry card reader, and sign into InVentry via your access control reader - all from just a single swipe!

PRE-BOOKED VISITOR INVITATIONS

Allow contactless sign in with pre-booked visitor invitations. Send visitors a personal QR code to sign into InVentry, as well as an integration with Google Maps to direct them straight to you!
